Congressman to Speak To Redondo Chamber

Congressman Alphonzo Bell will be guest speaker at a joint membership luncheon of the Redondo Beach Chamber of Commerce and the Redondo Beach Rotary Club, it was announced today by Chamber President James Scoufos and Rotary President William A. Cameron.

Scoufos said the early announcement was made to alert the Chamber's general membership, civic officials, and the public of the date. The meeting will be open to the public, Wednesday, Dec. 6, at the Redondo Beach Elks Lodge.

Bell's message will be viewed with interest in this area—much of which is part of Bell's 28th District—the largest in California. Currently, the California Legislature is in general session under call from Governor Ronald Reagan to reappointment Congressional Districts.

THE STATE Supreme Court has demanded the Legislature reappointment the State's 38 Congressional districts under the Supreme Court's "one man - one vote" edict. If it does not comply by the Dec. 7 deadline the State Supreme Court has stated it will reappointment the districts.

Since Bell's speech will be on the deadline date it should prove of interest locally.

Forms Due Today for CHP Posts

Applications to take the written examination for state traffic officers with the California Highway Patrol Dec. 16 must be filed no later than today.

This reminder was issued today by Capt. P. J. Ford, commander of the CHP's South Los Angeles area.

"The Highway Patrol offers an excellent opportunity for young men who are interested in traffic law enforcement work in a growing organization," the CHP official said. "New classes of cadets are entering the Patrol's training academy every month. There is no longer the long wait between taking the examination and actually going to work that there used to be."

Application forms for the civil service examination may be obtained from the local Highway Patrol office, or any office of the California Highway Department of Employment.
